

ELUX TOKEN – Mini Pitch

ELUX Token represents the fusion of luxury and blockchain innovation. Designed to finance real-world high-end hospitality projects, ELUX offers investors the opportunity to be part of a visionary ecosystem where prestige meets long-term value creation.

Key Highlights:

- Flagship luxury eco-hotel project scheduled for 2026.
- Expansion toward Dubai in 2027.
- Total token supply: 1,000,000 ELUX.
- Vesting period: 24 months.
- Initial distribution: 60% seed investors, 20% liquidity pool, 10% team, 10% community.

ELUX is more than a token; it is a gateway into an exclusive world where luxury experiences are powered by strategic innovation and blockchain transparency.
